Celebrating with You!

TITAN50

## Exclusive Benefit: Extend Titan Tank Warranty to 12 Years!

As part of our 50th anniversary, we're giving you and your customers even more value.

Now, when you install and register a bundled Titan EcoSafe Oil Tank along with a Watchman SENSiT smart monitor on the Kingspan Connect App, you can extend the warranty from 10 to 12 years – at no extra cost!

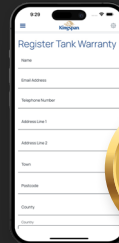

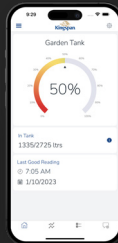

### How to Extend the Warranty:

**1** Install the EcoSafe bundled tank with the Watchman SENSiT smart monitor

**2** Download the Kingspan Connect App (available on iOS & Android).

**3** Register the tank and monitor within the app to activate the extended 12-year warranty.

#### Why this matters for your customers:

- **Added peace of mind**  
A longer warranty and reliable oil storage
- **Convenience & Control**  
The Watchman SENSiT enables real-time oil level monitoring via the Kingspan Connect App, helping customers avoid unexpected runouts
- **Cost Savings**  
Smart alerts prevent emergency refills and ensure better fuel management.

#### Why this matters for you as an installer:

- **Easy Sell**  
A premium, future-proofed solution that helps you secure more jobs
- **Added Value**  
The extended warranty strengthens your offering, making it easier to upsell
- **Hassle-Free Registration**  
Quick and simple through the Kingspan Connect App

Start offering 12 years of warranty coverage to your customers today!
