

# DESO

V1230DD

Introducing the  
**DESO V1230DD**,  
featuring the smallest  
footprint we've ever offered  
on a vertical diesel tank.

Small enough to ship on a pallet  
and install on a 3 x 3 grid of  
concrete slabs. Perfect for  
installations where space is tight.

Capacity: **1230 Litres**  
Brim-full Capacity: **1234 Litres**  
Height: **1850mm**  
Diameter: **1250mm**  
Footprint: **1230mm**  
Weight: **110KG**

Available now with all the great standard  
features and optional extras as our larger  
vertical diesel tanks.

Crane lifting lug

Lockable door

Optional flow meter
